### The End Time Dimension of the Parables

#### 'Blindness: Literal and Spiritual'

**Recommended Reading:** DA, pp. 463-475; John 9:1-41; Matthew 23:16-17; Matthew 23:19; Matthew 23:24; Matthew 23:26; Revelation 3:17-18; Acts 13:11

The central focus of our lesson today will be the healing of the man who was born blind (John 9:1-41). As with so many other miracles of Jesus, we will find in our study that the primary lesson of this miracle is not the restoration of physical eyesight. In actual fact, Jesus used this miracle as a springboard to teach profound lessons about the loss and recovery of spiritual eyesight. Let's jump right into our study by taking a look at the historical setting of the story.

### PERSONAL PRAYER POINTS

- Help us to believe that Christ will give us power to overcome our sins.
- Help us to have a personal relationship with our living Saviour; and help us to reflect our character to that of our Saviour.
- Help us not only to accept the agency of the Holy Spirit in a general way but also to accept His work as a reprover calling to repentance.
- Help us to recognise the reality of estrangement (separation) from God, a realization of our bondage to self and sin.
- Help us to make efforts to reform ourselves and to realise that it is by the daily crucifying of self that this reformation will occur.
