In this lesson, we will study the parable of the workers who went out to labor in the vineyard at different times of the day. In our study we shall find that in the original application of the parable, the owner of the vineyard represents God, the vineyard represents the world, the early workers represent Israel and the eleventh hour workers represent the Gentiles. 14 Let not your heart be troubled: ye believe in God, believe also in me. ²In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. ³And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. ⁴And whither I go ye know, and the way ye know.

⁵Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way?

⁶Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.
