Recommended Reading: COL, pp. 252-259; Luke 12:13-30; 1 Timothy 6:9-10; 1 Timothy 6:17-19; James 5:1-3

In our lesson today we will study the parable of the rich fool. Though the parable itself is found in Luke 12:15-21, the immediately preceding and succeeding contexts must also be taken into account. Immediately before Jesus told the parable, an event transpired that provided Him with the opportunity to tell the parable (Luke 12:13-14). Then, after telling the parable, Jesus further amplified its lessons (Luke 12:22-30) Let's begin by taking a look at how Jesus handled a case of sibling rivalry.
